

Chad McCormick  
Branch Manager at Roofmart Prairies Ltd.

Chad joined the Board so that he can assist with challenging issues, can contribute forward thinking and creative ideas to the Association and its membership. As a young leader in the business community, his vision is to see our city flourish and prosper for years to come. We, in the construction industry, play a vital role in making sure that happens. In addition to his nine years of experience being employed with Roofmart, Chad has also participated with the Saskatchewan Roofing Contractors Association (SRCA) as a supplier representative. Through that, he gained invaluable experience that he brings to the table with the RCA. He also believes in supporting the local community via countless hours of coaching kid's sports for children in hockey, soccer and baseball. He has also been a part of the CIBC Run for the Cure on their organizing committee.
