

Kyle Fairbairn
Branch Manager at Quorex Construction Services Ltd.

Kyle has gained valuable experience within the construction industry acting as a Project Manager, Estimator, Project Director, and most recently, Branch Manager for Quorex. He is involved in all aspects of his company including leading and overseeing his team throughout the pursuit, planning and execution of all construction projects they manage throughout the southern half of Saskatchewan. He joined the RCA Board of Directors to continue to help our industry grow through the current and upcoming challenges that it may face. With his prior experience being a Director for the Merit Contractors Association and being a member of the Saskatchewan Polytechnic Architectural Technologies Program Advisory Committee, he will bring valuable experience to the RCA Board of Directors.
