

Kyle Kendel

Sales & Transportation Supervisor at Inland Concrete/Aggregates, a Division of Lehigh Hanson Materials Ltd.

Born and raised in Winnipeg, Kyle moved to Regina to start working at his current position at Inland. He believes with the right work ethic a person can do anything they want in this industry. The skills and knowledge you gain is valuable in your personal life as well. At Inland education is a big focus, and if employees have a willingness to learn new roles and skills then the sky is the limit. He joined the Board of Directors to be part of the community, he believes volunteering time for local associations is one of the best ways to have a positive impact on the world around you.
