

Ryan Giesbrecht, 1<sup>st</sup> Vice President  
Operations Manager at J. Giesbrecht & Son Cranes Ltd.

Ryan has worked in the construction industry for over twenty-five years, beginning as a laborer. After completing his apprenticeship and obtaining his journeyman hydraulic ticket he is now the Operations Manager for Giesbrecht Cranes as well as a related company, Indecom Rigging & Moving. Ryan has previously served two terms as a Director on the RCA Board and feels it is important to be involved in this role supporting smaller contractors who may not have a voice otherwise.
